

Generations Home Healthcare Participates in “Cupid Crew”

Generations Home Healthcare is proud to announce that we will be partnering with Wish of a Lifetime on Valentine’s Day this year to participate in a wonderful Valentine’s Day event called “*Cupid Crew*”.

Seven years ago, Wish of a Lifetime, a nonprofit organization that grants wishes to senior citizens nationwide, attempted to decrease that isolation, if only for one day. Cupid Crew was formed, a movement that empowers volunteers to deliver roses to seniors, spreading love and awareness on February 14th about the trials and tribulations of living in isolation.

Our team is looking forward to delivering 300 roses to seniors in nursing homes, rehab facilities, adult day care programs and assisted living communities!
